Miller Capilano Highway Services Limited

Position: Equipment Operator 1 (EO1)
Reference No: SA04-EO1 – 23FEB22
Location: West Vancouver
Position Open: 1 Seasonal full-time position with opportunity to extend.
Hourly Rate: \$29.47 per hour

Miller Capilano Highway Services Ltd. is now accepting applications from qualified individuals interested in the position of EO1 in the West Vancouver Foreman Area of Service Area 4 (Howe Sound).

The job is bargaining unit position. Terms and conditions of employment are governed by the current collective agreement with the BCGEU.

Reporting to the West Vancouver Road Foreman, an EO1 is responsible for:

- Preparing and operating light and heavy maintenance equipment such as patrol trucks, loaders, plows, spreaders, tractors, etc.
- Undertaking any and all job duties assigned and pertaining to the operations of Miller Capilano Highway Services including and not limited to jack hammer operation, compaction equipment operation, snow shoveling and others.
- Completing all required paperwork including driver inspection documents, Vehicle safety checks, timesheets, reports and other operational documents, as required.
- Performing required preventative and routine equipment maintenance, which includes but is not limited to, cleaning/washing the interior and exterior of equipment, changing plow blades, minor equipment repairs, greasing equipment and refueling equipment after use.
- A good knowledge of and follow Miller Capilano's safety program, rules and policies.
- Understanding of the importance of good public and employee relations.
- Following instructions intelligently, accurately and promptly.
- Traffic control and management duties as required by the MoT Traffic Management manual.

The successful candidate must have/be:

- Class 3 driver's license with Air Endorsement and a positive safe driving record.
- Preference is a Class 1 driver's license.
- Acquire class 1 license 1 year from date of fulltime hire
- Grade 12 education.
- Experience in highway maintenance and/or road building/utility construction
- Helpful, friendly, courteous with the public, regulatory agencies and peers.
- Able to work shift work as this role involves night shift work.
- Punctual and ready to work.
- Physically able to meet all requirements and perform satisfactorily all highway maintenance and emergency assignments in a manner that promotes cost effective operations, staff co-operation and working in a safe and environmentally friendly manner at all times.

Closing date: March 11, 2022

Qualified applicants are invited to submit their resumes (including qualifications, experience and references) by email quoting the Reference No. to: info@millercapilano.ca
